Utica Dance Team Kid's Clinic

Utica Dance Team Kids Clinic

Join the Utica Dance Team for a fun-filled dance clinic, as well as a **performance at the Utica High School Varsity Football game!** The Utica Dance Team members will teach the participants a routine, which they will perform at the varsity football game that night. The game begins at 7 pm at Swinehart Field. The UHS dancers and coaches will accompany the participants to the football stadium and supervise the participants until their halftime performance. A parent or legal guardian will pick the participant up on the right side of the football field immediately after their halftime performance.

Contact uticadance@gmail.com for any questions.

Join the Utica Varsity Dance Team for one of our favorite community events - our Fall Kids Clinic! This fun-filled dance clinic involves hands-on instruction from the varsity dancers, a halftime performance at the Varsity Football Game, and so much more!

EdReady Math – Community Ed

This summer Utica Community Schools Community Education is offering students the opportunity to register for the EdReady math program, which uses diagnostic testing to establish personalized study paths to fill in learning gaps and to reinforce understanding in math. Each EdReady Math course is aimed at fully preparing students for readiness for the next grade level. This is a great way to keep kids doing math during the summer.

Families can find additional information in the [attached flyer](#) and can register using this link to the UCS Community Education page at: <http://www.ucsccommunityeducation.com/enrichment>

Families can watch a brief video which explains the EdReady math program at: <https://michiganvirtual.org/students/edready/>

Northwestern University's Midwest Academic Talent Search (NUMATS) Information

You've discovered that your child is academically advanced. What now? NUMATS provides valuable tools to help guide the way.

NUMATS is a research-validated program that utilizes above-grade-level testing to help you understand the educational needs of your child. NUMATS provides the opportunity for students in grades 7-9 to take the ACT and SAT tests earlier than normal for a fee. You can go to www.ctd.northwestern.edu to see if your child is eligible.

Community Education -- Youth & Teen Enrichment

Community Education offers a wide variety of programs for every age from infant to adult. Included in our brochure, is a full selection of enrichment classes currently scheduled in our schools and throughout the community. For a full listing of classes please visit our website at: www.ucscommunityeducation.com.

Teaching and Learning College Readiness – [Click here to see the schedule of evening presentations](#)

2017-2018
College Readiness Evening Series
 Sponsored by the CCS Community Education Department
 in partnership with the CCS Learning Center at
 Henry Ford II High School
 10000 Green Road
 Sterling Heights, MI 48313

College is now a major investment for families, and good advice during all phases of the college preparation, application, and decision-making process can save families time and money and help ensure favorable results for students. To give UCS students an edge when it comes to college, the CCS Community Education Department is offering a College Readiness Evening Series to assist families in accessing the information needed to prepare students for optimal college outcomes and success after high school.

To register for one or more sessions in this series, please call (586) 767-4800 or register at www.ucscommunityeducation.com. All participants must register in advance. **Seating is limited. Seats cannot be held.** See below for each session description.
